2012 Rice SWCD Native Plant Sale

Rice SWCD will again be selling native plants that will be available in mid-May. A mix of 48 plants will be available for either raingardens or butterfly gardens. These plants are high quality and are a great way to establish a raingarden or butterfly garden in your yard.

Each mix includes a total of 48 plants. These mixes are set up to provide you the variety needed to complete your garden. The raingarden mix is specially designed to provide plants that are needed for use in raingardens. It includes plants that can tolerate flooding conditions but also provide beauty. The butterfly mix is specially designed to attract butterflies to your home garden.

Butterfly Mix

Butterfly Weed, Narrow-leaf Coneflower, Black-eyed Susan, Purple Prairie Clover, Smooth Aster, Sky Blue Aster, Ironweed, Early Sunflower, Bergamot, Hoary Vervain, New England Aster, Rough Blazing Star

Raingarden Mix

Swamp Milkweed, New England Aster, Joe-Pye Weed, Boneset, Sneezeweed, Blue Flag Iris, Cardinal Flower, Blue Vervain, Culvers Root, Prairie Blazing Star, Bottle Brush Sedge, Little Blue Stem

- Each Mix contains four each of 12 species (48 total plants). Recommended planting density is 1 plant per square foot of space for most applications.
- Plants will be available for pickup May 18, 2012 from noon to 5pm. Please contact Rice SWCD to make other arrangements.
- Pick up will be at the Rice County Fairgrounds in Faribault inside the Conservation Building on the east end of the grounds.
