Whether you want to create a habitat for butterflies and bees or a rain garden to treat rainwater runoff, we have a beautiful selection of native plants for your conservation project. The rain garden mix includes plants that can tolerate flooding conditions but also provide beauty. The butterfly mix is specially designed to attract butterflies to your home garden. These plants are high quality and are a great way to establish a rain garden or butterfly garden in your yard.

**Butterfly Mix**

**Rain Garden Mix**
Swamp Milkweed, New England Aster, Joe-Pye Weed, Boneset, Sneezeweed, Blue Flag Iris, Cardinal Flower, Blue Vervain, Culvers Root, Prairie Blazing Star, Bottle Brush Sedge, Little Blue Stem
