--------------------	---------------	--------------	---

This information is provided as a public service and constitutes no endorsement by the USDA, the NRCS, or the Rice SWCD of any service, supply, or equipment listed. While an effort has been made to provide a complete and accurate listing of services, supplies and equipment, omissions or other errors may occur, and therefore other available sources of information should be consulted. It is the producer's responsibility to select specific products or a business regardless of whether it is listed. Producers are never limited in their choice to those vendors or products shown on these lists. It should also be noted that if cost-share assistance is involved, any product(s) selected and services provided must be approved by NRCS as meeting standards and specifications prior to payment. In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs).

*The Rice SWCD and the USDA are equal opportunity providers, employers, and lenders.*
