

## Equipment for Rent:

**Great Plains No-till Drill:** For seeding of larger areas including prairie restorations, pastures, and grassed waterways. There is a \$125 delivery fee, plus \$10 per acre.

**Dew Drop Drill:** This drill can be pulled by any ATV or small tractor. It is great for many purposes including food plots, buffer strips, CRP, and pollinator habitat. It has a 3 ft. seeding width and can handle a large variety of seed types. The rental fee is \$100.00 per day. Delivery, if required, is \$75.00.

**Hand Seeder:** Great for seeding small projects, sediment basins or backyard prairie plantings. Available for \$5.00 with a \$20.00 holding deposit.

**Weed Wrench:** Used primarily to remove buckthorn. Available for free with a \$50.00 deposit.

**Lopping Shears:** Used for cutting small buckthorn. Available for free with a \$25.00 deposit.
